## Reports for Inventory and Accounting

ArtBase now has more reports to choose from, more flexibility in searching, and more — new and improved! — options than ever. ArtBase allows you to generate Inventory Reports based on any search criteria: "What's the value of my owned inventory?" "How many prints by each artist do I have in storage?" or "How many items did we send to Miami last year?" If you can think of it, ArtBase can report on it. ArtBase also generates Accounting Reports to monitor sales and payables, profit and sales tax. ArtBase even has pie charts and bar charts to show you your best-selling artists or your most active clients.
